A screenshot of a character's stats page from a game. On the left, there is a portrait of a man with a beard and a dark hood. To the right of the portrait, the character's name 'Khralh' is displayed in a large, bold font, followed by the title 'Enlightened Hideout' in a smaller font. Below this, three stats are listed: 'Life' with a value of 3759, 'Mana' with a value of 674, and 'Maximum Energy Shield' with a value of 14. At the bottom left of the stats panel, there is a decorative circular icon containing the number '89'. On the right side of the screenshot, there is a circular graphic with three colored circles representing different attributes: 'Intelligence' (blue circle with value 168), 'Strength' (orange circle with value 270), and 'Dexterity' (green circle with value 122). The background of this graphic is dark and ornate.
